D50

C O U P É

The D50 Coupé is the latest model in the range, a design that exceeds all expectations in its length and re-invents the walkaround concept.

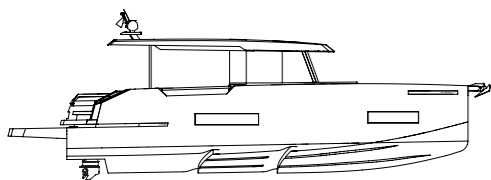

Based on the D50 Open, it maintains its impressive navigation performance with hidden outboards and the characteristic and generous spaces both on deck and inside. This new version with a slim superstructure further highlights its avant-garde architecture by offering its occupants a closed driving area for greater comfort on long journeys and allowing its central part to be opened with the retractable canvas roof.

Sporty, modern, spacious and convertible, that's the D50 Coupé.

El D50 Coupé es el último modelo de la gama, un diseño que supera todas las expectativas en su eslora y reinventa el concepto walkaround.

Basado en el D50 Open, mantiene sus impresionantes prestaciones de navegación con motores fueraborda ocultos y los característicos y generosos espacios tanto en cubierta como en el interior. Esta nueva versión con una estilizada superestructura resalta aún más su arquitectura vanguardista ofreciendo a sus ocupantes una zona de conducción cerrada para mayor confort en trayectos largos y permitiendo en su parte central abrirse con el techo retráctil de lona.

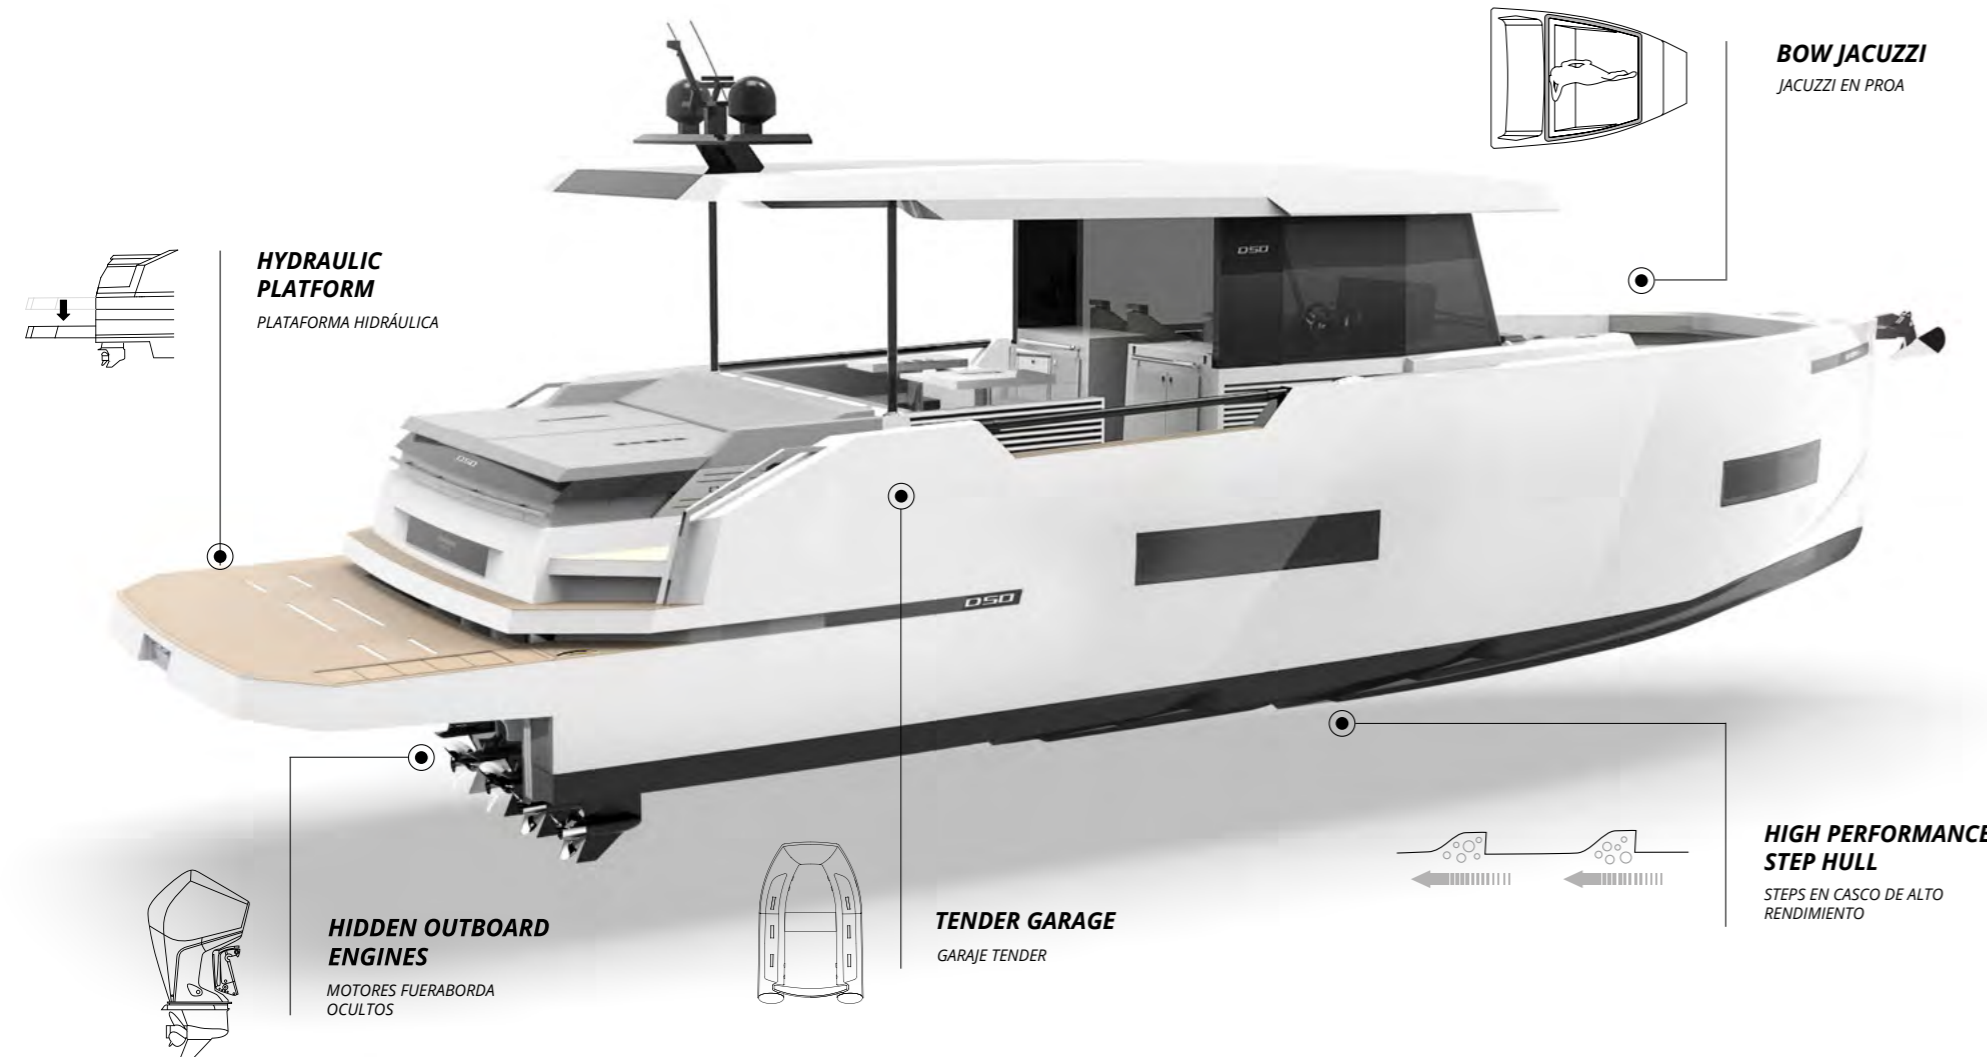

Deportivo, moderno, espacioso y cabrio, así es el D50 Coupé.
