D60

The D60 is the new flagship of De Antonio Yachts range. The yacht is a 18-meters lenth powered by four Mercury V12 600hp outboard engines, delivering speeds over 45 knots.

The design maximizes space with a walk-around concept: a stern solarium with a table and ice bucket, a central dining area for over 10 people, and a configurable bow with a solarium, sofa, and optional integrated jacuzzi. The D60 includes a versatile hardtop roof that can be fully enclosed or opened. Its innovative interior layout offers a mid-level kitchen, a spacious suite, flexible forward cabins, and a separate crew cabin. The first unit will be available in summer 2025.

El D60 es el nuevo buque insignia de la gama De Antonio Yachts. El yate tiene una longitud de 18 metros y está propulsado por cuatro motores fueraborda Mercury V12 de 600 hp, alcanzando velocidades de más de 45 nudos.

El diseño maximiza el espacio con un concepto walk-around: un solárium en la popa con una mesa y cubitera, una zona de comedor central para más de 10 personas, y una proa configurable con un solárium, sofá y jacuzzi integrado opcional. El D60 incluye un techo rígido versátil que puede estar completamente cerrado o abierto. Su innovador diseño interior ofrece una cocina a nivel intermedio, una suite espaciosa, camarotes delanteros flexibles y un camarote separado para la tripulación. La primera unidad estará disponible en el verano de 2025.
