

COBALT BOATS
EXPERIENCE EXTRAORDINARY

R33

COBALT

R33

Your boat is elegantly classy, Mr. Bond.

The new standard for wish fulfillment.

If you're ready to experience a more sophisticated example of day-boat luxury, size, comfort and, especially, performance, take a look at the R33 runabout.

The R33 Sterndrive excels in every aspect, with its sleek lines, agile handling and numerous amenities. Ideally suited for boating with family and friends – many friends, if you'd like – the yacht-certified R33 is spacious, of course, but was also designed to thrill and awe.

The Cobalt R33 performs as beautifully as it looks – and provides a truly exhilarating experience. It's outfitted with twin 430hp engines offering a maximum, effortlessly producing top speeds in the mid-50s.

This is nothing short of remarkable, given that you and your passengers can be cosseted with such luxury appointments as a hydraulically actuated swim platform, a one-touch, all-electric planar folding tower and sunshade, and the industry's first Harman Kardon marine audio system, as well as advanced handling tools like a multiscreen Garmin glass cockpit, an intuitive joystick docking controller and a customized Seakeeper gyroscopic stabilization system.

Conveniences range from a cabin that accommodates sleeping as well as seating, to a side-entry door, a built-in smart TV and a wealth of ultra-fast USB-C charging stations and cupholders. Fully capable of fulfilling the wishes of the world's most famous movie spy, the R33 was instead inspired by someone even more important:

You.

R33

Advanced Capabilities.

Customer-Inspired Innovation.

Inspired by and for our discerning customers, Cobalt has always sought to more performance, more luxury, more comfort and, above all, a more memorable boating experience.

In keeping with this goal, Cobalt has since its inception set the standard by which day boats are measured, to help ensure that your time on the water is everything you expect it to be. Here are just a few of the many thoughtful advances we've pioneered:

- ☞ The Cobalt Splash & Stow® system, simplifying the storage and handling of large, yacht-style inflatables
- ☞ The new Cobalt side-entry door, introduced on the R33
- ☞ The first boat brand to offer a Harman Kardon audio system, introduced first on the R33
- ☞ The new Seakeeper for Cobalt, the industry's best-in-class gyroscopic stabilizer that eliminates 95% of boat roll
- ☞ A dedicated storage pod for a Yamaha Seascooter underwater propulsion unit
- ☞ The new patent-pending Cobalt E-Step™, the first swim step to electrically lower into the water
- ☞ The Cobalt flip-up seat bolster, for better views over the windshield
- ☞ Cobalt's advanced arch and hardtop with the optional electric awning.

Your boat is elegantly classy, Mr. Bond.

The new standard for wish fulfillment.
