R8 OUTBOARD

R8 OUTBOARD

Power, Luxury and Versatility

Truly the next generation outboard.

With families continuing to seek quality outdoor time together, Cobalt Boats introduces its R8 Outboard, a top-of-the-line addition to its series of outboard runabouts. Featuring the clean lines, superb performance and deluxe appointments found in the sterndrive R8, the R8 Outboard offers the same 27' 10" length and 8' 6" beam with greater fuel capacity for its powerful outboard Yamaha or Mercury engines.

Ideally suited for extended season use, whether on inland lakes or in salt water, the R8 Outboard design boasts a deep cockpit, with ample freeboard and a spacious interior with large bow and cockpit areas. Yacht Certified, the R8 OB is a reimagining of what an outboard can be, setting new standards for luxury, versatility and durability. Satellite radio and other audio sources are delivered by up to 14 speakers and 2 subwoofers, for a soundtrack that matches the array of new exterior and interior color options.

Cobalt signature touches abound, with 'Fresco Chil' upholstery to reduce temperatures by up to 20° on dark surfaces; new Sof-Trac colors and patterns in the cockpit, on the gunwales, on the swim platform and in the head; bow and aft shade sails; accent wood trim; and plenty of beverage holders.

These features, and many more, make the new R8 Outboard truly the next generation outboard!
