R31 SURF

## The Cobalt R31 Surf

Ride the legacy, become the legend.

Introducing the Cobalt R31 Surf, a new chapter in legendary performance. The R31 Surf is the perfect fusion of luxury, innovation, and wave-making excellence. Designed to elevate every moment on the water, the R31 Surf combines versatile performance with sophisticated style to deliver a surf experience that's pure Cobalt.

Equipped with Surf Gate™ technology, Dual Independent Drive Trim, and intuitive Garmin Surf Controls, the R31 Surf creates perfectly sculpted waves tailored to riders of all skill levels. From first-time surfers to seasoned wave riders, every session becomes an extraordinary adventure.

Powered by twin Volvo Penta engines equipped with the FWD sterndrives, the R31 Surf offers the agility and responsiveness you expect from Cobalt, with ample power to keep the thrills coming all day long.

Blending cutting-edge surf technology with Cobalt's legendary craftsmanship, the R31 Surf is more than a boat—it's your gateway to unforgettable days on the water. This is the next chapter in the evolution of surf boating. Get ready to ride.
