Description

Extended cruising not only requires a boat that was built for the long haul, but a boat that was built to make the trip completely enjoyable. That's why Sea Ray created the 460 Sundancer. The cockpit of the 460 Sundancer creates a relaxing atmosphere with a custom slide and swivel helm seat with a flip-up thigh-rise for the captain, and a Euro-style companion bench seat. The ergonomically designed control station not only puts the latest Raytheon electronics and Sea Ray's backlit instrumentation close at hand, it also reflects Sea Ray's dedication to style with a tan dash gelcoat and high-gloss burl wood panels.
