Description

Introducing the stunning NEW 2025 DAY 42 Cancun, a remarkable sports cruiser that embodies modern elegance and high performance. With an overall length of 42 feet, this vessel is crafted from durable fiberglass, ensuring both strength and a sleek profile on the water. Powered by three Mercury Verado V10 outboard engines, each delivering an impressive 350 horsepower, the DAY 42 Cancun promises exhilarating speed and agility, reaching a maximum hull speed of 42 knots. Designed for comfort, it features one well-appointed cabin and a head, making it perfect for weekend getaways. The electric windlass adds convenience to your anchoring experience, while the contemporary design and spacious layout invite relaxation and enjoyment. Whether you're cruising along the coast or hosting friends, the NEW 2025 DAY 42 Cancun is the ideal choice for those seeking adventure and

luxury on the water.
