Description

The 210 Vantage will surprise you. It's a boat designed to meet the needs of the widest possible range of boaters—from fun-loving families to hardcore anglers. A dual console cockpit with wraparound windshield provides functional comfort for passengers. Comfortable seating in the bow, cockpit and stern allows for family-sized crews to relax all day. And roomy storage throughout the boat means you can load in all the gear you need for any type of adventure on the water. At a mere 21 feet, it's easily trailerable, but 250 horsepower on the transom means you can get up and go when you're ready to ride.

- Wrap-around glass windshield provides maximum protection from the elements
- Flip up backrest for stern seating and additional cockpit space
- Stern casting platform for fishing when seat backrests are down
- Optional convertible portside lounge with flipdown back rest and storage beneath
- Convenient portable head in the portside storage compartment
- Spacious, cushioned bow seating with roomy storage beneath
- Anchor locker for a convenient and accessible storage space
- Optional premium upholstery package for luxurious comfort and durability
- Optional state of the art electronics by Simrad® and JL Systems® with 4-speaker system
