Description

Preliminary listing

With only 500 engine hours on her Quad Mercury 450R, her owner a Verve repeated client is ready to upgrade.

The Verve 47 favors authentic emotions and supreme comfort in an unprecedented style of vessel: the weekend cruiser.

With the power to fly across the water at 50, this superior outboard machine unites speed and agility, making it the go-to marvel for frequent yet seamless location-hopping for whomever desires a pure connection with the sea. A vigorous design statement, this yacht full of character is as innovative as it gets.
