Description

This 2000 Sea Ray 400 Sedan Bridge, a remarkable motor yacht that combines elegance and performance. With an overall length of 41.5 feet, this vessel boasts a sleek fiberglass hull designed in a Deep Vee shape, ensuring smooth navigation and stability on the water.

Powered by twin CATERPILLAR CAT 3116 inboard engines, each delivering an impressive 350 horsepower, this yacht promises exhilarating speed and reliability. With only 1710 hours of use, these engines are ready for many more adventures. The Sea Ray 400 Sedan Bridge is equipped with essential features, including a windlass for effortless anchoring. Its thoughtful design and spacious layout make it perfect for entertaining or relaxing on the water. Experience the perfect blend of luxury and functionality with "La Salamandra," your gateway to unforgettable maritime experiences.
