Description

The 280 Vantage builds on the legacy of the award-winning Vantage series, delivering exceptional stability, comfort and ease of operation. With its family-friendly dual-console layout and smart, convertible seating, the 280 provides plenty of space for everyone to stretch out and relax. Try a new activity, or try a whole range of them: The 280 Vantage is an all-access pass to everything your family wants to do on the water, from discovering remote beaches to finding thrills at the end of a towrope or fishing line.

- Sleek, redesigned bow available with both windlass and boarding ladder
- Convertible portside lounge seating adjusts to an array of configurations
- Easy access from the dock or the water via the standard portside dive door
- Integrated hardtop and windshield provide great weather protection and clear visibility
- Hardtop can be equipped with an electrically actuated cockpit Sureshade
- Dedicated fishing features include cockpit fishboxes, transom livewell and strategically-placed rod holders
- Cockpit grill station makes for easy entertaining and stows away when not in use
