Description

Introducing this stunning 2012 Fairline Squadron 65, a remarkable cruiser that embodies luxury and performance. With an impressive overall length of 66.9 feet, this vessel features a sleek modified vee hull crafted from durable fiberglass, ensuring both stability and elegance on the water.

Powered by twin CATERPILLAR C18 diesel engines, this yacht boasts reliable inboard propulsion with direct drive, making it a powerhouse for cruising adventures. With only 1800 hours of operation, these engines promise longevity and robust performance. Accommodating up to four cabins and 3 heads, the interior is designed for comfort and privacy, perfect for extended voyages with family or friends. The thoughtful layout enhances the onboard experience, providing ample space for relaxation and entertainment.

The Fairline Squadron 65 is not just a boat; it's a lifestyle choice for those who appreciate the finer things in life on the open sea. Experience the ultimate in cruising luxury with ZERO ONE.
